The Hampstead Stage Company (HSC), a national professional touring theatre company based in Center Barnstead, NH is visiting the area with their acclaimed show, *Greek Mythology: The Tale of Psyche & Eros.*

Greek Mythology: The Tale of Psyche & Eros- Ever wondered what inspired "Beauty & the Beast"?: The goddess Aphrodite has discovered the humans are worshiping a mortal for her beauty named Psyche. Overcome with rage and jealousy, Aphrodite sends her son, Eros (also known as "Cupid" to the ancient Romans), to punish her. Accidentally pricked by one of his own arrows, Eros falls hopelessly in the love with Psyche. Eros decides to hide his new love and her family in a castle under one condition: Psyche must never see his face. Driven by curiosity, Psyche steals a glance at her mysterious husband's face one night, and the wonderful life they've had shatters instantly. Now, Psyche must face several impossible tasks to set things right with the gods, proving she's just as brave as she is beautiful.
